

# TANKER WASH FACILITY

Our team has in-depth of this specialist sector. We have undergone extensive training to be able to understand the risks involved in your work and act accordingly to best represent you in any claims against your company.

Our core package is specially designed to cover the inherent risks of the industry:

- Cover for confined space work
- Statutory environmental cover
- Own-site clean-up costs
- Property being worked on

We can also arrange cover for:

- Gradual pollution cover for underground tanks
- Tools of the trade

We think it's important to be easy to do business with so we don't require annual declarations; plus, clients of OAMPS Hazardous Industries will automatically benefit from Level 2 & 3 Environmental Response Service in the event of a spillage 24/7.

We can also offer Level 1 Environmental Response Service at a discounted rate and our clients can access specialist driver training in ADR and CPC at a discounted rate via our parent company.
