

# SOLVENTS AND ADHESIVES

For the past decade we have been providing specialist insurance services to solvents and adhesives industry, which puts us in a unique position to understand your business and provide the right cover for your needs.

We won't just arrange standard commercial insurance for you, our core package includes cover for risks unique to the solvents and adhesives sector:

- Crisis-management and media protection
- Cost of Stock Debris Removal
- Clean-up of Own Land (following a sudden and unforeseen spillage of product) up to £250K as standard
- Stock Cost Fluctuation (to manage product cost variations) 15% uplift
- High Public Liability limits of indemnity available
- Statutory Environmental Protection up to the Public Liability limit of indemnity
- Rehabilitation Services

Clients of OAMPS Hazardous Industries will automatically benefit from Level 2 & 3 Environmental Response Service in the event of a spillage 24/7; we offer Level 1 Environmental Response Service at a discounted rate. We also offer specialist driver training in ADR and CPC at a discounted rate via our parent company.

## WHAT TYPE OF BUSINESSES DO WE WORK WITH?
